

The "Weir" Wicker Basket

£120 + VAT

REF: 3443

Height: 31.5 cm (12.4")

Diameter: 28 cm (11")

Description

Woven in alternate rows of subtle tones of brown and green willow.

We've updated the design of this basket from its previous iteration to incorporate both tones of willow, rather than just one, and re-named it in memory of Paul Weir - a kind and wonderful man, and a brilliant basket-maker.

Hand-made in Suffolk, England.
