Constructed in single sheets of pierced English oak, the "THEDA" bench demonstrates a balance between simplicity and bold geometric motifs.

Antony Hall studied Fine Art at Chelsea College of Art before working as a sculptor and furniture maker. Son of an antiques dealer, he has an eye for collecting anything from seed pods to Modernist furniture and this has complemented his interest in pattern, proportion and construction in his own designs. Antony works out of his studio and garden near the Sussex Downs.

Designed exclusively for Foster & Gane.

Made in East Sussex by the artist.

Lead-time: 4-8 weeks.
