

An exceptional George II mahogany tilt top tea table

£14,500

REF: 5890

Height: 74.5 cm (29.3")

Diameter: 79 cm (31.1")

Description

The circular mahogany top with an unusual continuous flared and pierced 'loop' gallery above a carved and pitted edge, all on a birdcage support.

The carved tripod legs supporting a carved bulbous knop below a stop fluted column.

England, circa 1755
